and advisors

help. achieve.

Our Values

- We establish **positive relationships**
- We are **empowered and capable**
- We will **achieve results with clarity**
- We deliver with **energy and confidence**

Our Culture

At Harris Black, we are just as passionate about helping each staff member achieve their professional goals as we are about helping clients. We have a talented and dedicated team, many of whom are long term employees.

Our office is a positive and inclusive work environment where capability and commitment are valued and rewarded, and our Directors are actively involved in training and mentoring. We empower our team to collaborate and be involved in decision-making, and support promotion within our team.

Our Approach

Our Solutions

We work collaboratively to understand the challenges and provide strategic solutions conveyed with clarity. Our advice is always honest and practical, delivered with pro-active energy and empathy, building strong client relationships beyond the transactional.

Who are Harris Black and what do they do?

- Independent firm of chartered accountants
- Established in 1994
- Brisbane based with affiliate firms nationally - Brentnalls
- Provide business consultancy, advisory and compliance services to a wide and exciting range of clients - companies, organisations, family business etc.
- Attract and retain dedicated, talented and loyal staff members

Why Harris Black?

- Diversity of work and experience (don't get pigeon holed!)
- Work closely with and be trained by senior leaders and Directors
- Be involved in decision making
- Move up quickly - promotional opportunities (don't be overlooked!)
- Develop a sense of ownership
- See ideas amount to action
- Manage client groups not just one small part of a job
- Advanced technology and systems
- Great camaraderie and culture
